

Bronze  Sponsor

TEMENOS CLIENT FORUM 2009

4 May – 6 May, Monaco "Re-defining Classic Banking for the 21st Century"

30th March 2009

EFS Technology is pleased to be the Bronze Sponsor for the TEMENOS Client Forum 2009, taking place in Monaco. This year's event theme is: Re-defining Classic Banking for the 21st Century. Each year the Temenos Client Forum brings together Temenos Clients, Temenos management, Alliance & Business Partners, Industry Analysts, potential clients and other special guests from around the world. At the event, Mike Rogers from EFS Technology, will be demonstrating the AutoFORM LaserNet software.

How to Cut the Time & Cost Required to Create Banking Documents

Breakout Seminar:

10.00 to 10.45am Wednesday 6th May Day 2
